

**PRACTICAL MACHINERY SOLUTIONS  
PRESENTED BY NORTHTECH INDUSTRIAL MACHINERY, LLC**

**Special  
Pricing &  
Financing  
Available**

**NT-DC1500RAL-ACS**

- Cartridge filter system with auto cleaning to 0.02 micron and radial air lock and optional transfer blower

**INDUSTRIAL DUST COLLECTION**

- Small portable stand alone units 2 - 7.5HP
- 2 Stage Cyclone units 5, 10, 15 and 20HP (now available with 0.02 micron cartridge filtration)
- Single Stage Dust Units from 10 - 50HP with options including radial air locks, cartridge filters with auto cleaning, sound and spark arrest enclosures, noise bafflers and custom frames for outside placement
- Custom dust systems with return air for exterior placement

**NT-HWG10-E**

**NT-HWG10-E HORIZONTAL GRINDER**

- 5 models available 10-60HP
- PLC controls with overload protection
- Concave 40mm x 40mm low noise level grinder head
- Full sound/safety enclosure's available to ensure dba ratings of 83-86 dba range
- Full integration package with Briquette Press and cyclone feed system available
- Inquire for catalog & video

**DC 3000 RAL-ACS  
30HP DUST SYSTEM**  
\* Inquire for catalog

**NT-BP500, BP1000, BP2500**  
\* Video & samples available

**WOOD WASTE  
BRIQUETTE SYSTEMS**

- Northtech Industrial now offers a complete line of Briquette Presses for wood waste processing. (Models now available from 7.5HP to 25HP.
- Up to 9 to 1 volume reduction of wood shavings 2100psi pressure
- Up to 400 lbs. per hour can be processed with 25HP model
- Incredible heat value and reduction of waste
- As boiler fuel 100% environmentally friendly and 90% the fuel value of coal
- Inquire for catalog

**NT-BP500/1000/2500  
CAN BE ARRANGED  
W/AUTOCYCLONE INFEEED**

**NT FRAME SAW SERIES**

- Precision frame saw available for processing heavy veneer stock, engineered flooring, entry and passage door skins
- 8" and 10" thickness models
- Inquire for catalog & video

**FINGER JOINT SYSTEMS**

- Available for low to medium volume applications
- \* To 25,000 ft. per shift capability \*
- Easy cost justification for low volume custom finger jointing
- Low maintenance and SIMPLE ENGINEERING
- Inquire for catalog & video
